MESA DIRECTIVA DEL H. CONGRESO DEL ESTADO DE COLIMA
PRESENTES.**

INDIRA VIZCAINO SILVA, Gobernadora Constitucional del Estado Libre y Soberano de Colima, en ejercicio de la facultad que al Ejecutivo a mi cargo le confiere el artículo 39, fracción II, de la Constitución Política del Estado Libre y Soberano de Colima, y con fundamento en lo previsto por el artículo 74 de la Ley de Hacienda para el Estado de Colima, tengo a bien presentar y poner a consideración de esta Sexagésima Legislatura Estatal, la presente **Iniciativa de Decreto que contiene el Tabulador Oficial para el Pago del Impuesto a la Transmisión de la Propiedad de Vehículos Automotores Usados, para el Ejercicio Fiscal 2022**, de conformidad con la siguiente:

EXPOSICIÓN DE MOTIVOS

PRIMERO.- El Capítulo III, del Título Primero de la Ley de Hacienda para el Estado de Colima vigente regula el Impuesto a la Transmisión de la Propiedad de Vehículos Automotores, cuyo objeto lo constituye la transmisión de la propiedad de vehículos automotores usados por cualquier título, de conformidad con lo dispuesto por el artículo 23 del referido ordenamiento, siendo base para su cálculo en relación a vehículos del último año modelo, el 80% del importe total de la primera facturación, sin incluir intereses por financiamiento; y para vehículos de años modelos anteriores al año de calendario en que se realizó la transmisión, el valor consignado en el Tabulador Oficial que se publique en el Periódico Oficial "El Estado de Colima".

Los vehículos automotores usados durante el ejercicio fiscal 2021 experimentaron variaciones en sus precios, principalmente a la baja, lo que vino a desfasar los valores previstos en el Tabulador Oficial vigente a partir del 1º de enero de este mismo año.

SEGUNDO.- En la elaboración del tabulador contenido en la presente Iniciativa de Decreto cuya vigencia comenzará a partir del 01 de enero del año 2022, se tomaron como referencia los precios promedio vigentes al mes de septiembre del 2021, publicados por las asociaciones nacionales de comercializadores de automóviles nuevos y usados de la República Mexicana, así como los ofertados en el mismo mes de octubre por las empresas comercializadoras de vehículos usados de la entidad.

A fin de facilitar a los contribuyentes la determinación de los valores correspondientes a cada tipo de vehículo y, consecuentemente, el monto a pagar por concepto del impuesto
